See? Even with how hard I work, we don’t have much left!</p> <p>VOICEOVER: The Republican tax plan. <b><u>You</u></b> pay more in taxes, to give money to the rich. The richer <b><u>they</u></b> are, the more money <b><u>they</u></b> get. <b><u>They</u></b> get tax breaks on money they leave their heirs, and even tax cuts for owning golf courses. All paid for by higher taxes on <b><u>you</u></b>.</p> <p>VO: Call [Senator/Representative NAME] and tell [him/her] to vote “NO” on the Republican tax increase, because Reverse Robin Hood makes a bad fairy tale, but even worse economics.</p>
